Dear Uncle Stephen, Auntie Emma, Tyler & Evie

Because I haven't seen you all since we went back into lockdown I was just wondering how you are all coping during this difficult time. How are Tyler and Evie getting on with home schooling ?.

Me and Harley are coping very well with our home schooling it's still a bit strange doing school work from home but we are getting used to it now, Harrison is enjoying having me and Harley at home all the time to keep him company. We have been on daily walks to keep us all active when the weather as been nice and dry. Are you all going on walks daily or doing some sort of exercise ?. Harrison is saying a lot more words now since the last time you all seen him he is changing every day. I hope all of this is over soon so we can all get back to normal and we can see you all every weekend like we used to take care hope to see you all very soon.

Lots of Love & kisses
