Love your packed lunch

PhunkyFoods Top Tip 2: Vegetables are vital!

Include one portion of vegetables for important vitamins, minerals and fibre.

- Veg sticks, and a dip, make a great side-kick for a packed lunch. Consider cucumber, carrots, peppers, celery, baby corn, radish, fresh peas ... buy own brand, "wonky", "super-six", seasonal vegetables to stay on budget.
- Eat a rainbow of colours! Get your children involved in choosing and making [salad pots](#) – and of course, reward them for eating it too!
- Think outside the box – use cheaper wonky vegetables and turn them into delicious and affordable soups, or add to pasta, rice or couscous salads.
