### Healthy Snacks

As you are aware, our pupils are currently allowed to bring a healthy snack to school to consume at morning break. Snacking helps children to keep their energy up, make up for skipped breakfasts, and provide fuel for activities throughout the day. We are asking for your assistance in helping your child to plan and pack the appropriate snacks. Whilst we are happy for your child to bring a snack if they want one, we must clarify that this should be a piece of fruit or a cereal bar. KS1 already have access to fruit at break time, so they only need to bring a cereal bar if they do not eat fruit.

Some children are bringing chocolate bars, biscuits, crisps and other unhealthy snacks into school and are eating them before and during break. It is important that snacks brought in from home should not include sweets, fizzy drinks and nuts (due to allergies). If your child has a snack other than fruit or a cereal bar this will be stored away and returned to them at the end of the day. We thank you for your cooperation with this matter.
