### Attendance

At Hensingham Primary School excellent attendance and punctuality is our aim for every child. Full attendance maximises learning opportunities and parents/carers have a critical role in promoting good attitudes in attendance. We ask for support from parents/carers to ensure that their children are present at every opportunity, arrive on time and to avoid allowing children to stay at home unnecessarily, or taking them out of school without authorisation.

Evidence shows that pupils who attend school regularly make better progress both academically and socially. Please do not book holidays in term time.

### What to do if your child has an appointment:

We ask that you make routine medical and other appointments out of school time, where possible. If this is not possible, we require notification in advance. **Please provide an appointment letter/card to confirm the appointment.**

In most cases, your child should attend School before the appointment and return to School afterwards wherever possible.

### Punctuality

All children are expected to arrive on time at School, ready for lessons. Children should arrive for 8.40am. Children are expected to be at their first lesson by 8.45am ready to start learning. Registers close at 9.00am in the morning and gates to the School will close at 9am. After that, access to the School is by the main entrance. After 9.00am, children will be marked as late.

We would be grateful for your support in ensuring that your child arrives on time.
