ATTENDANCE MATTERS

ATTENDANCE

A huge well done to all the 123 children who got 100% attendance this week. Please keep up the good work!

WEEKLY UPDATE

Well here we are, yet another week into the term! Once again, we have had a school full of superstars! It has been great to see the excellent learning going on around school this week. We have been focusing lots on reading this week, all children have completed a reading test to check where they are in their learning and ensure they have the correct level books to read at home. Well done everyone, you have made lots of progress!

Breakfast/After School Club

All children are welcome to attend Breakfast/After School Club. Please ensure that you book in advance so that we can ensure we are adequately staffed to run the clubs well.

SAFEGUARDING

In our safeguarding assemblies this half term we are focusing on bullying. This week we looked at what bullying meant. We compared bullying and being mean. We spoke lots about what to do if you think you are being bullied. The picture below shows that bullying MUST stop, it also shows that bullying means something that is Several Times On Purpose. We use the phrase 'NOT IN OUR SCHOOL' linked to bullying. Please spend some time having a chat with your children about the assemblies we have held. All children will be taking part in the Kidsafe programme at some point, that will support us in consolidating these expectations.

BEHAVIOUR

Lots of children earned an extra play time this afternoon for reaching 10 or more behaviour points throughout the week- well done everyone! See a reminder of our positive behaviour expectations below:
