

Meet the Wellbeing Team

here at Hensingham Primary School

The Wellbeing and Engagement Team carry out interventions with the children, group work & 1:1 session to support the children with their **Social, Emotional** and **Mental Health**.

We do regular '**check ins**' with the children throughout the day or if they have been upset coming into school. The children know who they can talk to in school and have identified key people, by them, that they can **trust**.
