

## School Behaviour Philosophy

At Hensingham Primary School we are committed to a culture of positive behaviour, acceptance of diversity and mutual respect. As part of this philosophy we ask that all stakeholders contribute positively towards behaviour. Therefore, everyone will be asked to follow the school behaviour code.

### Hensingham Primary School Rules

The pupils have established three clear rules at Hensingham Primary. Everyone follows these rules to ensure we are safe and happy every day.

- ❖ Treat everyone and everything with respect.
- ❖ Learn with resilience in class.
- ❖ Be responsible for keeping ourselves and each other safe.
